

Adopt-a-Senior

Brighten their holiday with a special gift on or before #GivingTuesday, November 27th

Help spread some love this holiday season with a gift of a poinsettia to a homebound older adult, personally delivered by a Center of Concern volunteer. Now in its third year, this successful social services program lets you send a beautiful, iconic holiday plant; you'll not only be brightening the life of an older adult, but you'll also be supporting one of the Center's valuable senior services programs.

HOLIDAYS CAN BE A LONELY TIME

The holidays can be a lonely time for those who live alone or without family nearby, and this program goes a long way to brightening those lives and alleviate feelings of loneliness and isolation. Two-thirds of seniors live alone in Maine Township. According to AARP, an increasing number of retired adults have few family members to provide companionship and care. Social contacts steadily decrease with retirement, loss of friends and family heightens anxiety, and lack of mobility is often a concern. Regardless of the cause of a senior's isolation, the consequences can be devastating.

GIVE A POINSETTIA AND SPREAD SOME JOY

Poinsettias will be delivered to seniors living at home, and in assisted living, rehabilitation, memory care or skilled nursing facilities during the week of December 3rd. **You can place orders anytime during the month of November but are especially encouraged on #GivingTuesday, November 27th.**

ORDERING IS EASY

Go to our website at www.centerofconcern.org or use the tear off form below.

Plant sizes vary between 4" and 4.5" and colors vary in hue within the holiday palette. You can order one or ten to spread some joy.

Double Your Gift

Every \$1.00 becomes \$2.00!

#GIVINGTUESDAY

The Retirement Research Foundation will match your gift up to \$5,000
