Center  of Concern

For over forty years, the Center of Concern has been responding to the needs of the community and embracing innovation by delivering a broad spectrum of programs to older adults, family caregivers and residents at risk of homelessness. Last year, we provided over 24,000 services with the help of 320+ dedicated volunteers.

With 10K individuals turning 65 each day until 2030, the need for our services has never been greater. Now, more than ever, we are reliant on our community partnerships along with our fundraising efforts to continue providing quality programs to those most in need. To that end, we are asking for your support of our important work. Please consider sponsoring our upcoming ***Hidden Hops & Wild Grapes in the Secret Garden - a speakeasy themed event - Saturday, October 12th held at Pesche's Garden Center.***

Partnering with us makes good business sense. You can feel good knowing that your tax-deductible contribution will directly translate into providing critical, oftentimes, lifesaving services. After all, supporting our organization is personal, as the work we do can impact your neighbor, family member or even you. Further, highlighting your corporate responsibility fosters goodwill with our donors, volunteers, and clients. Our long-standing events are well attended by key stakeholders and prominent community leaders - your potential clients.

Please review the enclosed sponsorship packet. Thank you in advance for your consideration and I look forward to speaking with you to discuss the best fit for your business. In the meantime, please do not hesitate to contact me with any questions you may have.

Kindest Regards,
Fran Geraci
