“Adopt” an Older Adult
on or before #GivingTuesday

Through your kindness this holiday season, Center of Concern volunteers will personally visit homebound older adults and present them with a beautiful seasonal plant.

Your generosity will brighten the lives of isolated older adults and also support the many critical programs and services that the Center of Concern provides throughout the year.

Double your impact! Gifts up to $5,000 will be matched by the Edward and Wanda Jordan Family Foundation!
Help the Center of Concern combat loneliness and isolation amongst older adults as they age.

With social contacts, mobility, and access to community resources decreasing, a personal visit with a caring volunteer delivering a beautiful holiday plant will spread cheer that lasts throughout the season.

Thanks to your support, friendly volunteers will personally deliver a holiday poinsettia to the homes of older adults including those in assisted living, rehabilitation, memory care, or skilled nursing facilities. Plant sizes are between 4" to 4.5" and come in a variety of holiday colors.

Deliveries will occur during the first week of December. You can donate and place your orders any time during the month of November, but are especially encouraged to donate on Giving Tuesday, November 29, 2022.

Yes, I want to "adopt" an older adult!

___ Adopt 1 Older Adult for $25
___ Adopt 3 Older Adults for $60
___ Adopt 6 Older Adults for $100
___ Adopt 12 Older Adults for $180

I would like to purchase a $_________ food gift card for a homebound older adult

I would like to make a monetary donation of $_______

___ Optional: Please deliver a poinsettia to a special older adult, family member, friend, or neighbor at $25 each. If needed, additional recipient names can be included on a separate piece of paper.
